Title: Britannia

Author:

Britania is where I
fought the monsters
and healed my
friends, but I have
left Britania to join
the battle in Trinsic.
I well only do what is
expected of me to do
for I am no GM.
Instead of Britania
being my hometown
now I well sleep cold
nights in Trinsic,
healing those who
can't heal thenselves
and fighting the
monsters noone will.
Wish me luck, cause
when I am there I well
fear the monsters but
still attack. Please
join the battle in
Trinsic and help the
many people that have
Trinsic as their
hometown. So please,
please help!
